NOMINATION PROCESS

At the beginning of each year a campaign is commenced to solicit nominations to the Citizens Hall of Fame. The campaign is conducted through local media and mailings to Winnipeg organizations where nominations are requested from any member of the public. In addition, members of the Citizens Hall of Fame Selection Committee are invited to submit nominations.

SELECTION COMMITTEE

The Citizens Hall of Fame Selection Committee is comprised of a group of 16 including representatives from a cross section of professional organizations, education institutions, service groups and three REALTOR® Members from the Winnipeg Regional Real Estate Board.

SELECTION PROCESS

All nominations for the Citizens Hall of Fame are distributed to the Selection Committee and a meeting is held to review the nominations.

Nominators or their delegation are encouraged to make an in-person or video presentation to the Selection Committee highlighting why their nominee is deserving of the Citizens Hall of Fame Award.

The Citizens Hall of Fame Program generally recognizes one individual, however, administrators have the discretion to determine the number of inductees that may be selected each year and may direct that fields of endeavour from a previous year may not be repeated in a succeeding year.

Each Selection Committee member receives a ballot listing the nominees and is asked to indicate their top three selections. Ballots are to be returned by a specific date. Point totals for each nominee are compiled based on 10 points for a first-place vote, 5 points for second-place choice, and 1 point for a third-place selection. The nominee with the most points will be deemed the inductee for that year. In the case of a tie, the nominee receiving the most first place votes will be the inductee.

Nominees who are not inducted but are selected as the second or third choices, by the voting members of the Citizens Hall of Fame Selection Committee are automatically deferred to the following year.

On the day of the induction a special ceremony is held to announce the name of the honoured individual. The inductee receives a Citizens Hall of Fame bronze medallion sculpted by local artist Eva Stubbs and a bust of them is commissioned and erected at the Citizens Hall of Fame in Assiniboine Park.
