

## Year-to-date real estate performance continues to shine while November market results show slight decline

**Winnipeg, December 4, 2025** – Year-to-date All MLS® sales of 14,431 through to the end of November 2025 were up 4%, total MLS® listings of 21,996 statistically even while total dollar volume of over \$5.7B was up 10% from 2024. Year-to-date residential detached MLS® sales of 9,842 were up 3% and the average price of \$451,137 was up 6% when compared to last November. Condominium MLS® sales of 2,070 were statistically even and the average price of \$283,498 was up 3% above last year.

### NOVEMBER RESIDENTIAL DETACHED MLS® SALES

“Year-to-date All MLS® sales are the third highest on record and dollar volume is the second highest while residential detached and condominium prices set a new November record,” said Michael Froese, 2025-2026 President of the Winnipeg Regional Real Estate Board. “Condominium average prices rose versus last year and set a new November record while this is the first month in 2025 when residential detached average prices declined versus 2024 and did not set a monthly average price record. November’s real estate market saw declines in All MLS® sales and dollar volume while MLS® sales, dollar volume and average prices declined for residential detached homes.”

November 2025 saw All MLS® sales of 935 decrease 10% from November 2024 and were down 5%, active MLS® listings of 3,165 decreased 5% and total MLS® dollar volume of over \$349 million was down 12% from November 2024. Residential detached MLS® sales of 630 decreased 7% while the average price of \$420,121 was down 3% when compared to November 2024. Condominium MLS® sales of 129 were down 15% and the average price of \$272,718 was up 6% from November 2024.
